● 注意事項 **Points to Note** ●

● **About the Service**

In Hadano city, we provide a service that sends disaster information etc. via email to mobile phones and PCs registered in advance so that citizens can receive disaster information promptly and accurately. Please use it as a means of information acquisition at the time of disaster.

● **Registerable Devices**

Any devices with email function.

● **To Change Subscription Content**

1. Access the link at the end of the received mail after registration.
2. Press "Change Your Details" and set to your preference.

● **To Cancel Registration**

1. Access the link at the end of the received mail after registration.
2. Press "Cancel Your Registration" and a deregistration complete email will be received.

● **To Change Registered Email Address**

Please unsubscribe the old email address, and then register with a new email address.

● **Precautions**

- Although registration is free, the communication charge required when receiving e-mail, etc. will be charged.
- The service email will be delivered at anytime.
- Before registering with this system, please set up to receive email from "@raid3.ktaiwork.jp".
If you do not know how to set it up, please contact your mobile phone provider.
